Soothe sore calves at **SPA MANZANITA**, an organic spa where beach inspiration runs deep: for the signature heated stone massage, owner Janice Gaines gathers and tumbles smooth stones from nearby Neahkahnie Mountain. spamanzanita.com

GO BIG

Block out a weekend to explore the stunning, 1,371-acre **FLORAS LAKE STATE PARK**, just north of Port Orford. Set up camp at the Curry County-operated Boice Cope Park, then kayak or paddleboard around Floras Lake before hiking out to Blacklock Point. This under-the-radar headland is accessible through a wild forest of shore pine, Sitka spruce, and alder, with unbeatable views of ocean islands and lighthouses, 80-foot sandstone cliffs, and isolated black-sand beaches.
